

Good Day Friends,

We would like to request your attendance for the City Council meeting, during which they will vote on the Express's lease approval for the WFCU Centre on August 27, 2012.

The meeting will be held **Monday August 27, 2012 at 6:00 o'clock p.m. Council Chambers, 3rd floor, Windsor City Hall** (400 City Hall Sq E Windsor, ON, Canada (519) 253-1843).

If you are unable to attend, we ask that you please phone **and** email your members everytime you think about us. [Follow this link](#) to retrieve their information. There is a full list at the bottom of this document.

The Express is asking the city to invest in a professional grade basketball floor, which could cost up to 125k, from which people of Windsor will benefit greatly by being able to attend their premier arena as a true multiuse sports entertainment facility. [Here is a blog printed in the Windsor Star about it.](#)

As we all know, the benefits will far outweigh the risk. The Express is directly investing hundreds of thousands of dollars into the local economy.

The official Combine will take place in Orangeville, Ontario on August 25-26. On Monday, August 27, we will be in attendance of a mandatory owners' meeting from 8AM-1PM followed by the official NBLC draft, in which we have first pick, at 7PM. This will be shown live on the NBL Canada website, www.nblcanada.ca

Unfortunately, the Ownership group will be in Toronto on that date for the official league combine and draft. We need as many people there as possible so that the leaders of the city will fully understand the level of support that we have from its citizens.

We ask that each of you forward this to your friends and supporters as well.

We are confident the presence of the Windsor Express will touch the lives of many through its community development, business engagement and family affordable entertainment approach. We ask that you continue to join us as we bring the City of Windsor its first professional team.

In Unity,

Shalece
